

Mission Statement:

Welcome to Make a Change Housing, a serene and transformative haven nestled in the heart of Atlanta, Georgia, where every man and woman's journey toward sobriety is honored with deep compassion and understanding. Here, in this place of healing and hope, we believe that the path to sobriety is not just a journey but a profound transformation where it touches every aspect of one's being.

At the core of Make a Change Housing, our mission is deeply rooted in the empowerment of men and women as they navigate their unique paths to sobriety. We are committed to providing a sanctuary that is not only nurturing but also transformative, offering a safe space for men and women to explore and progress on their recovery. Our dedication extends to fostering a supportive community, one that nurtures personal growth, resilience, and lifelong wellness, embracing each man and woman in their entirety.

Vision Statement:

Our holistic approach is designed to cater to the physical, emotional, and spiritual needs of every resident, ensuring a comprehensive care system that supports the rediscovery of strength and the robust foundation for each sober and enriching life. Through a blend of compassion, education, and personalized support, we are devoted to empowering each man and woman to recognize his or her potential, embrace his or her path, and cultivate the roots of his or her sobriety with confidence and dignity. Make a Change Sober Living is more than a place to live; it is a source of inspiration, a community of like minded individuals, and a beacon of hope for those seeking a brighter, sober future. Our commitment to each man and woman's journey is unwavering, as we stand as a pillar of strength and renewal, guiding and celebrating every step toward sobriety.
